

Category AD Price List

(Last price update: 05/08/2023 reflects lower prices due to reduction in prices as of today)

Choose between a "Featured Ad" or a "Regular AD" and the # of Run Days:

Both type of ADs allow: 80 pictures (up to 10MB file size each); 5 document files (.PDF files up to 5MB file size each); and 2 digital movies (up to 1GB per video in file format: MP4)

- **Featured Ad's provide the highest level of exposure** and can garner 5 to 10 times more ad views than a regular ad
- **Featured Ad's** are rotated throughout the site and on the home page and are easier to locate than Regular Ad's.
- If you see the words: Premium Ad's; they are equal to **Regular ADs** and are the sites basic ads.

The prices shown below are by category:
